

EMBODYING THE PROMISE OF VIRGINIA
TODAY. TOMORROW. FOREVER.

The Pillars represents the highest expression of philanthropic leadership within Virginia Athletics. Comprised of Cavaliers who are Annual Fund donors, Sabre Society members, and Cavalier Legacy planned giving members, this distinguished community invests across the full spectrum of Virginia Athletics, meeting today's needs, advancing tomorrow's ambitions through multi-year leadership commitments, and securing our future through legacy giving.

Crafted at a defining moment for Virginia Athletics, The Pillars recognizes those whose comprehensive commitment fuels today's success while securing tomorrow's opportunities, ensuring our programs can pursue excellence across every era.

The Virginia Athletics Foundation unites supporters to empower Virginia student-athletes to excel in sport, scholarship, and service, shaping champions of character and leaders for life. To elevate this mission, we need visionary supporters willing to invest in transformational outcomes that extend far beyond the playing field.

The Pillars unites three tracks of leadership support:

ANNUAL CHAMPIONS

Strength in the Moment. Annual Fund support from VAF members, together with scholarship endowment distributions, helps fund all athletics' scholarships. As endowment distributions alone do not cover the full annual scholarship cost, gifts of all sizes to the Annual Fund and Friends of remain essential to providing life-changing scholarship opportunities and attracting exceptional student-athletes to the University of Virginia.

BUILD. BELIEVE. BELONG.

Strategic Advancement. Sabre Society members make multi-year, leadership-level commitments of \$25,000 or more, payable over up to five (5) years, that advance the strategic priorities of Virginia Athletics. In accordance with the 2025 Presidential Athletics Task Force, these investments support scholarships and key program enhancements while providing the stability needed to execute long-range initiatives identified by coaches, Athletics, and University, leadership.

CAVALIER LEGACY

Lasting Excellence. Through planned giving and estate provisions of any amount within one's will or trust, legacy supporters help secure the long-term strength of Virginia Athletics. These revocable commitments create permanent program support, preserve opportunities for future Cavaliers, and help protect our programs from future volatility, embedding each donor's legacy within Virginia's tradition of excellence.

The Pillars are the supporters whose generosity sustains excellence, strengthens opportunity, and secures the future of Virginia Athletics through leadership in the VAF Annual Fund, Sabre Society, and Cavalier Legacy. Pillars members receive enhanced engagement opportunities, leadership updates, and recognition that reflects the breadth of their impact. Championships are celebrated in moments. Foundations are built over generations. **Stand amongst the Pillars of Virginia Athletics.**
