

2026 FOOTBALL PRIORITY SECTION TICKETS

The season purchase price for priority season tickets is \$505. For UVA Faculty/Staff and UVA Young Alumni the season purchase price for priority season tickets is \$404.

Annual Fund minimum donations are required for priority season tickets and are above and beyond the season ticket purchase price. Existing season ticket members must maintain their previous year's giving level in order to retain the same seat location (s). Your required Annual Fund donation is based on the location of your seat and number of tickets. Please reference the table below based on your section and row to determine your Annual Fund minimum donation required.
