2021 RESERVED PARKING for VIRGINIA FOOTBALL

VAF lots open at 8:00 a.m. on Saturday game days. Opening times will be determined closer to game date/time for Friday night games. Spaces are reserved until 15 minutes after kickoff.

Traffic directions are developed in conjunction with law enforcement and all ticket holders in mind. Certain streets are restricted and you may be denied access. Please visit www.VirginiaAthleticsFoundation.com and click the link on the home page for additional game day parking/driving information.

The permit must be displayed on the rearview mirror and must be in full view of all officers directing traffic (with game number and date showing). Leave permit displayed at all times. Cars without properly displayed permits will be towed at the owner's expense.

If someone else is parked in your space, please find the nearest parking attendant who will contact a Virginia Athletics Foundation representative to come immediately to your location.

Tailgate items such as tables, chairs and tents may not impede traffic flow and should be confined to the area immediately behind your vehicle. Please refrain from throwing balls in the parking lots and be considerate of others. Charcoal grills are prohibited in parking lots. Propane grills are allowed only if the propane tank is less than five pounds. Firearms and other weapons are prohibited in Scott Stadium and on University property.

ACCEPTANCE OF THE VAF PARKING PERMIT

By accepting the VAF parking permit you agree to abide by the Virginia State Laws and the guidelines set forth by the Alcohol Beverage Control Board, which state that alcoholic beverages are not to be served to minors.

Virginia State law prohibits the public consumption of alcohol except under licensed conditions. The Virginia Athletics Foundation has purchased ABC licenses that will allow the legal consumption of alcoholic beverages in most parking lots reserved for Virginia Athletics Foundation permit holders. Police officers will patrol these areas to enforce the legal drinking age and all terms of the ABC licenses. Alcoholic beverages cannot be taken outside of these areas. Fans are not allowed to walk outside of designated areas (including streets) carrying alcoholic beverages. - Please pay close attention to all posted signs.

PREGAME TRAFFIC RECOMMENDATIONS

Suggested traffic directions intend to provide all permit holders with the most efficient routes to their respective lots, given relevant game day traffic restrictions and congestion. Please follow listed routes when possible.
