WHAT YOUR DONATION SUPPORTS

The VAF Annual Fund helps fund all 316.6 scholarships allowed by the NCAA, as well as a portion of sport-specific operating costs, and academic support for our student-athletes. As the landscape of collegiate athletics continues to evolve, the funds required to field a nationally competitive athletics program increase. This includes increased in-state and out-of-state scholarships, operational needs, and academic support. We thank you for your generosity!
